FOR PRINTED OR ELECTRONIC FORMAT**

AF Gourmet is a content provider for high-quality cookbooks in printed and electronic format.

AF Gourmet works with international publishers by providing recipes and photos.

AF Gourmet's approach is to provide easy recipes using available ingredients.

AF Gourmet's recipes are professionally tested before approval for publication.

AF Gourmet's recipes provide international (metric and imperial) weight and measures.

AF Gourmet's large database of recipes & photos is the solution for publishers.

In short, AF Gourmet is a one-stop shop for publishers, as it provides professionally-tested recipes with matching high-quality photographs.

AF Gourmet offers an innovative approach to the development of digital cookbooks, providing a simple and affordable solution for gourmet books in both print and electronic formats.
